COMMENTS: Marie Williams request a waiver and states the following:
She has been running for office since 2010 and she has never won because she has never had the money her opponents had and to win you need money. She used the money she saved from when her boyfriends would give to her. She is disabled and has tried to keep this from the public because they wont elect disabled person and her health has gotten worse. She wanted to help the community and no just collect social security. She was in car accident years ago and was in a wheelchair and was 25 weeks pregnant, had her son at 26 weeks. .

RE: REQUEST WAIVER OF LATE FEE ASSESSMENT

DEAR BOARD OF ETHICS:

I am requesting a waiver because I did not fail to file my report. I have been running for office since 2010 and I have never won because I have never had the money my opponents had to win you need money. On all my report since 200, I have never failed to file my report after the election if you look my Leaders I filed two reports one which had no information that ids the report I file.

Also, I do to have e money the money I always used was money my boyfriends would give to me and I saved it. I am disabled and have rued to keep this from the public because the wont elect disabled person and my health has gotten worse. I wanted to work to help the community and no just collect social security money. If you look at my taxes fled have no income and only get side. I was in car accident years ago was in a wheelchair and had my son at 26 weeks I had the accident at 25 weeks.

I am asking that you waive the fee this is an inadvertent mistake and I truly don't have the money and take many medications. I pray the fee is waived.

Thank you,

Marie
